

72

11. (Amended) The pharmaceutical composition of claim 1, wherein said peptic ulcer is a gastric ulcer or duodenal ulcer. --

Please add claims 23-37.

13

-- 23. (New) The pharmaceutical composition of claim 1, wherein said American ginseng extract is filtered through the ultrafiltration membrane with molecular weight cut off 3,000.

24. (New) The pharmaceutical composition of claim 1, wherein said American ginseng extract is extracted with a solvent having a polarity higher than 0.88.

25. (New) The pharmaceutical composition of claim 24, wherein said American ginseng extract is extracted with 10% ~ 80% ethanol aqueous solution.

26. (New) The pharmaceutical composition of claim 25, wherein said American ginseng extract is filtered through the ultrafiltration membrane with molecular weight cut off 3,000.

27. (New) The pharmaceutical composition of claim 24, wherein said American ginseng extract is extracted with water.

28. (New) The pharmaceutical composition of claim 27, wherein said American ginseng extract is filtered through the ultrafiltration membrane with molecular weight cut off 3,000.

29. (New) The pharmaceutical composition of claim 24, wherein said American ginseng extract is filtered through the ultrafiltration membrane with molecular weight cut off 3,000.

30. (New) The pharmaceutical composition of claim 1, wherein said American ginseng extract is extracted with 10% ~ 80% ethanol aqueous solution.

31. (New) The pharmaceutical composition of claim 30, wherein said American ginseng extract is filtered through the ultrafiltration membrane with molecular weight cut off 3,000.

32. (New) The pharmaceutical composition of claim 1, wherein said American ginseng extract is extracted with water.

33. (New) The pharmaceutical composition of claim 32, wherein said American ginseng extract is filtered through the ultrafiltration membrane with molecular weight cut off 3,000.

34. (New) The pharmaceutical composition of claim 11, wherein said American ginseng extract is filtered through the ultrafiltration membrane with molecular weight cut off 3,000.

35. (New) The pharmaceutical composition of claim 11, wherein said American ginseng extract is extracted with a solvent having a polarity higher than 0.88.

36. (New) The pharmaceutical composition of claim 35, wherein said American ginseng extract is extracted with 10% ~ 80% ethanol aqueous solution.

37. (New) The pharmaceutical composition of claim 35, wherein said American ginseng extract is extracted with water. --
